About TactQ:

TactQ Insights transfer data into actionable and forward-looking intelligence that goes far beyond names and numbers as we provide our clients with superior data & analytics along with industry' leading sales intelligence solution. We offer an active B2B sales prospect list for your upcoming marketing campaign.

With our data profiling tools, we analyze each lead source and create a forecast based on leads' value to suit your business needs. We help you to take your business to the next level with greater brand visibility and increased revenue growth.

For data sources, you can refer to our privacy policy page on our website.
